## Item 7.01 Regulation FD Disclosure

On November 10, 2020, Summit Midstream Partners, LP, a Delaware limited partnership (the “Partnership”), announced that it will commence an offer to purchase (the “Tender Offer”) for cash up to \$25,000,000.00 aggregate purchase price of its 9.50% Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units (the “Series A Preferred Units”).

In exchange for each Series A Preferred Unit properly tendered (and not validly withdrawn) prior to 11:59 p.m., New York City time, on December 9, 2020 (such time and date, as the same may be extended, the “Expiration Date”) and accepted by the Partnership, participating holders of Series A Preferred Units will receive \$200.00.

The Tender Offer will expire on the Expiration Date, unless the Partnership extends the Tender Offer or terminates it earlier. A copy of the related press release is filed herewith as Exhibit 99.1 and incorporated herein by reference.

The information furnished in this Item 7.01 shall not be deemed “filed” for purposes of the Securities Exchange Act of 1934, as amended (the “1934 Act”), and shall not be deemed incorporated by reference in any filing with the Securities and Exchange Commission (the “SEC”), whether or not filed under the Securities Act of 1933, as amended (the “Securities Act”) or the 1934 Act, regardless of any general incorporation language in such document.

## Item 8.01 Other Events

On November 9, 2020, after the close of trading on the New York Stock Exchange (the “NYSE”), the Partnership effected the previously announced 1-for-15 reverse unit split (the “Reverse Unit Split”) on its common units representing limited partner interests in the Partnership (the “common units”). The common units began trading on a split-adjusted basis on November 10, 2020.

Pursuant to the Reverse Unit Split, common unitholders received one common unit for every 15 common units owned at the close of business on November 9, 2020. All fractional units created by the Reverse Unit Split were rounded to the nearest whole unit, as provided by the Partnership’s partnership agreement.

Immediately prior to the Reverse Unit Split, there were 56,624,887 common units issued and outstanding and immediately after the Reverse Unit Split, the number of issued and outstanding common units decreased to 3,774,992. In connection with the Reverse Unit Split, the CUSIP number of the common units changed to 866142 409. The Partnership’s ticker symbol on the NYSE, “SMLP,” remains the same.

The Partnership has a registration statement on Form S-3 (File No. 333-234781) and a registration statement on Form S-8 (File No. 333-237323) on file with the SEC. SEC regulations permit the Partnership to incorporate by reference future filings made with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the 1934 Act prior to the termination of the offerings covered by registration statements filed on Form S-3 or Form S-8. The information incorporated by reference is considered to be part of the prospectus included within each of those registration statements. Information in this Item 8.01 of this Current Report on Form 8-K is therefore intended to be automatically incorporated by reference into each of the active registration statements listed above, thereby amending them. Pursuant to Rule 416(b) under the Securities Act, the amount of undistributed common units deemed to be covered by the effective registration statements of the Partnership described above are proportionately reduced to give effect to the Reverse Unit Split.

*Houston, Texas (November 10, 2020)* – Summit Midstream Partners, LP (NYSE: SMLP) (the “Partnership”) announced today that it will commence an offer to purchase (the “Tender Offer”) for cash up to \$25,000,000.00 aggregate purchase price (the “Maximum Aggregate Purchase Price”) of its 9.50% Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units (the “Series A Preferred Units”). For each Series A Preferred Unit that is accepted in the Tender Offer, the holder will receive \$200.00 (the “Purchase Price”). The Tender Offer is conditioned on, among other things, that holders of at least 75,000 Series A Preferred Units validly tender (and not properly withdraw) their Series A Preferred Units prior to the expiration date of the Tender Offer.

The Tender Offer is scheduled to expire at 11:59 p.m., New York city time, on December 9, 2020, unless extended (the “Expiration Date”). If the aggregate number of Series A Preferred Units that are validly tendered and not properly withdrawn as of the Expiration Date (the “Total Tendered Amount”) exceeds the Maximum Aggregate Purchase Price, the Partnership will accept for purchase that number of Series A Preferred Units that does not result in the Total Tendered Amount exceeding the Maximum Aggregate Purchase Price. In that event, the Series A Preferred Units that will be accepted for purchase will be subject to proration, as described in the Offer to Purchase.

Holders that tender Series A Preferred Units that are accepted will forfeit any claim to all accumulated and unpaid distributions on their Series A Preferred Units, regardless of when accumulated, including any distributions that may accumulate through the settlement date for the Tender Offer.
